Gifts

With all that we have, we've been truly blessed. Your presence and prayers are all that we request. But if you desire to give nonetheless, **a monetary gift is one we prefer.**

It all started in December 2021 when a mutual friend decided to play cupid. What was supposed to be a casual introduction turned into conversations that felt way too easy, a lot of laughter, and the beginning of something we couldn't have planned even if we tried. From that day forward, everything just seemed to click. Whether it was late-night chats, or simply enjoying each other's company, we found joy in the little things. We quickly discovered that together, even the ordinary moments felt like adventures. So here's to love, laughter, and a lifetime of adventures. Our story just getting started, and we can't wait to keep writing it together.
